2010

ANNUAL REPORT

Trustees' Message

The Trust's financial support of severely brain-injured children in Barbados continues to grow as can be seen from the attached financials. Expenditure during 2010 exceeded \$225K, an increase of \$40K over the previous year's. This is so very encouraging as it is indicative of the fact that despite the strained economic times in which we are living, the generosity of those who continue to support our work, has not waned and this has allowed us to continue to expand our financial assistance to these special children.

As can be seen from the details, our pamper drive continues to top our list of total expenses followed by the wheelchair clinics, school fees and orthopaedic supplies. These numbers however cannot measure the true benefit and what this all means to the children and by extension, their parents. Please take a moment to look at the various photos in this report where you will see the smiles on the faces of the children as well as our team at work during one of the wheelchair clinics and during therapy sessions at Haynesville Children's Home. These photos say it all.

Thank you, as always, for your generous and tireless support.

A registered charity since January 2004, the Because of Jenna Trust is dedicated to easing the suffering of severely brain-injured children in Barbados and improving their quality of life.

The Trust raises funds through charitable events and personal and corporate donations and uses these funds to help pay for the special treatments, equipment and supplies needed by severely brain-injured children. The Trust also works to create public awareness of the plight of these children and their families.

The Because of Jenna Trust was founded in memory of Jenna Leigh Clarke, the 11-year-old daughter of Garry and Anna Clarke, who died on December 1, 2001.

THANK YOU
for your support!
